Dear Valued Customer,

We are writing to inform you of recent steps Omega Scientific, Inc. is taking in an effort to become more environmentally friendly! Beginning May 1<sup>st</sup>, 2014 you may notice some changes to our packaging. We will no longer package our serum bottles in individual bags. Additionally, we are implementing the use of biodegradable packing peanuts. If you prefer to still have your serum bottles in individual bags, please contact your Sales Representative and we will accommodate your request.

If you have any questions or concerns regarding these changes, please contact [info@omegascientific.com](mailto:info@omegascientific.com).

Sincerely,

**The Omega Scientific, Inc. Team**
