

Digital Hotplates & Stirrers

Benchmark™

Benchmark™ hotplates, stirrers and hotplate-stirrers feature an exceptionally durable, chemical resistant, white ceramic work surface. Their space-efficient design makes them ideal for use on crowded bench-tops and inside bio-hoods. Advanced micro-processor controls allow quick, precise adjustment of speed and temperature.

- White Ceramic work surface, 6.5 x 6.5 in.
- Safety LED indicates hot surface
- Control action in-sample temperature with optional probe.
- Heat-stir, heat only and stir only models
- Large, backlit LCD display

These units are perfect for crowded workspaces!
